# Pears Soap

What is wanted of soap for the skin is to wash it clean and not hurt it. Pure soap does that. This is why we want pure soap; and, when we say pure, we mean without alkali.

Pears' is pure; no alkali in it; no free alkali. There are a thousand virtues of soap; this one is enough. You can trust a soap that has no biting alkali in it.

All sorts of stores sell it, especially druggists; all sorts of people use it.

#### THE CLARK RALLY.

If there were any friends of Judge Clark who doubted the character of the receptions with which he has been bonored in North and East Texas as reported in the papers there minds were certainly disabused (and the doubts removed when they saw their grand tribute paid him and the cause he represents in this city yesterday. In Waco yesterday were assembled the ablest minds that think and the most patriotic hearts that beat for Texas to-Men whose bosoms were bared the battle for the South in times of desperate conflict and whose hearts never cherished a hope, to them more sublime than the desire for the prosperity and progress of Texas. From every quarter of this great broad common wealth, the lovers of Texas came, although only four days notice was given, and they came with that determination that patriotism only can inspire, with that hope which is born of confidence in a righteous cause. Every congressional district was represented and News list of committees and the speakers shows an array of talent, and assemblage in Texas. The work of the convention was admirably done; there was perfect harmony, and the enthusiasm was always ready to bubble over at the merest provocation. The resolutions adopted set forth in unmistakable language, the Democrats, the charge of insincerity when made by the enemies of Judge Clark will be branded by the people as a fraud. The meeting was called has been held and the delegates have returned home in less than a week, No such instance was ever recorded in the history of any Democratic state. It is without a parallel. No such protest was ever entered against a Democratic governor. There can only be one effect. In respose to the demand of the pure and spotless leaders of the Democratic party of Texas; in response to the appeals of patriotism, demagogy must "Turn Texas Loese."

Just before Hon. George Clark was introduced to the audience yesterday a large portrait of him was placed upon the stage fronting the audience. The sight of it set the audience wild, but the occurance was in the midst of a perfect rage of enthuisasm over the appearance of the original and THE News reporter failed to mention it.

Seth Shepard's speech last night was grand. His peroration on "Turn Texas Loose" was one of the most eloquent efforts it has ever been our pleasure to listen to. Verily, as was Kellum & Lawson, the leading real said by Temple Houston: "With such estate dealers, 113 South Fourth a candidate as George Clark and such supporters as Seth Shepard we cannot

#### JUDGE CLARK'S APPOINTMENNS

THE NEWS welcomes the Telephone the new afternoon paper which makes its apperance today with Will Hollifield and Jesse Cargill in charge. It is the successor of the Town Talker and is a sprite'v little paper.

THE NEWS was the recipient of many handsome compliments yesterday upon its report of the convention. THE NEWS is here to tell it to the people just as soon as it happens, and it is glad its efforts are appreci-

intelligent to accept Hogg for another term in preference to Clark, We must have a governor who cannot be duped. We must have a man who will not mistake a robber for a policeman and deliver one man's goods to another in the name of the state. We want no more governors who have not sufficient legal knowledge to find the place where the caption ought to be on a bill. We want no more governors who are foolish enough to conver the gubernatorial office into a detective bureau and himself assume the roll of prosecutor. We want no governor who has to be reminded of his constitutional duties, to save the state from the disgrace of continual violation. It is said Governor Hogg is penitent but penitence will not pass current for patriotism; neither is demagogy a legal tender for Democracy. Bluster is discounted one thousand per cent. when compared with brains, and statesmanship can never be bought with stollidity. We must have a man with brains enough to know his duty and bravery enough to do it. It takes courage to inspire confidence and it takes confidence to win. Turn Texas Loose.
